Prime Central Location

Situated in the heart of Geroskipou, Paphos, the development offers excellent connectivity to beaches, shopping, restaurants, schools, healthcare facilities, and Paphos International Airport, providing exceptional convenience for both residents and investors.

Eligible for Cyprus Permanent Residence

This development meets the investment requirements for the Cyprus Permanent Residence Program, allowing eligible buyers and their families to apply for permanent residency while investing in a premium property.

19% VAT Refund

Eligible buyers may benefit from a 19% VAT refund, significantly reducing the effective acquisition cost and enhancing the property's long-term investment value.

Guaranteed Rental Income

Owners enjoy a guaranteed annual rental return of **5–7%**, professionally managed to provide stable passive income with minimal involvement.

Owner Privileges

Owners receive **10 complimentary nights** of stay each year, offering the perfect opportunity to enjoy their Mediterranean home while maximizing rental income throughout the year.

Luxury Serviced Living

Enjoy the privacy of homeownership with the convenience of 24/7 reception, professional property management, concierge services, and luxury hotel-style amenities, delivering a seamless five-star living experience.

High Investment Potential

Located in one of Paphos' fastest-growing residential districts, the project combines modern architecture, premium facilities, and strong rental demand, supporting long-term capital appreciation and sustainable investment growth.

LOCATION

Cyprus

The Mediterranean Gem

Cyprus is an island country located in the eastern Mediterranean, known for its warm climate, beautiful beaches, and relaxed lifestyle. Despite its modest size, Cyprus holds a strategic position between Europe, the Middle East, and Africa, offering strong connectivity and cultural diversity.

Geroskipou

Geroskipou is a rapidly developing district in Paphos, renowned for its strategic location, modern infrastructure, and exceptional quality of life. Rich in natural beauty and cultural heritage, the area is home to Blue Flag beaches, lush coastal landscapes, and historic landmarks linked to the ancient legend of Aphrodite. As demand for residential properties continues to grow, Geroskipou offers outstanding investment potential, combining strong rental yields with promising long-term capital appreciation.

ATEX Developers is a Cyprus-based real estate developer delivering a refined portfolio of residential and commercial projects, from villas and townhouses to contemporary apartments and mixed-use destinations. Each development is guided by a clear vision—to create distinctive, high-value spaces where thoughtful design meets international standards.

Backed by strong industry expertise, a strategic land portfolio, and a global network, the approach goes beyond building—it connects people with meaningful investments and well-positioned living environments.

Driven by a forward-thinking team, the focus remains on quality, integrity, and innovation—consistently elevating living standards while creating lasting value across Cyprus.

The information, illustrations, renderings, layouts, specifications, finishes, dimensions, and other materials contained in this brochure are provided for general guidance and marketing purposes only. They are intended to illustrate the design concept and quality standard of the development and do not form part of any contractual agreement.

The Developer reserves the right to make reasonable changes or substitutions to layouts, specifications, materials, finishes, fixtures, or amenities where necessary due to design development, construction requirements, product availability, or compliance with applicable regulations, provided that the overall standard and quality of the development are maintained.

Any references to specific brands, manufacturers, countries of origin, or descriptions such as "high-quality", "premium", "designer",... are indicative only and shall not be interpreted as a commitment to any particular product, supplier, or origin.

Only the terms, specifications, and provisions expressly contained in the executed Contract of Sale and any duly signed supplementary agreement (if applicable) shall be legally binding. In the event of any inconsistency between this brochure and the Contract of Sale, the Contract of Sale shall prevail.
